Appendix A – Shropshire Councillor’s report

Shropshire Councillor Report

Acton Burnell Parish Council Tues July 8th 2025

Introduction

I’m still working on how I’m most useful to yourselves, and on the format/content for these reports.

As I see it my job is:

- keep you informed on major Council issues
- facilitate your engagement on relevant topics
- support you in arguing for parish concerns/funding
- help you with specific local tasks.

I hope that’s roughly it! feedback welcome.

Shropshire Council FYI

Town and Parish Councils initiative

Led by Dep Leader Cllr Alex Wagner and Scrutiny Chair Cllr David Minnery this offers the chance for town and parish councils to take on local responsibilities with funding from the Council. The thinking is that they’ll get better value for money – and better quality of services – than if services are run from Guildhall. Local needs will vary – you will know better than me – but could include street cleaning, ditch clearing, sign maintenance, pavement fixing, maybe even potholes. Councils could employ e.g. local builders, local farmers, or indeed use volunteers. Shropshire Council could help with additional insurance cover if needed. Right now Alex/David are looking for expressions of interest and possible pilots, so if interested please respond soon and cc me!

North West Relief Road/Dobbies Roundabout

As you’ll have seen the Lib Dem Council is looking to pull out of NWRR because the capital cost (varying estimates £150-200m) is unfunded, and to borrow would place a severe future burden on finances. This isn’t confirmed yet but seems likely, following meetings with DfT. My immediate response was ‘let’s announce plans to improve Dobbies Roundabout’, I was told ‘be patient’. Naturally I and the Lib Dem Cllrs along the A49 – 5 of us – will be pushing for that.

Local government funding

Government has announced an 8 week consultation on changing the funding formula, towards ‘fairer funding’ (their words). This is billed as addressing the additional financial needs facing councils with significant rural reach and high adult social care needs. It is hoped it may help Shropshire as soon as 2026/7.

Pharmacy Needs Survey

This is a quote from a Shropshire HWBB notice:

“We consider community pharmacies to be a key public health resource and recognises that they offer potential opportunities to commission health improvement initiatives and work closely with partners to promote health and wellbeing.

“You are invited to contribute to a consultation to identify the views of stakeholders and members of the public on whether the current assessment addresses the necessary and important issues.

“A questionnaire has been produced to gather feedback closing on 26 August 2025. Please complete the consultation survey, which you can access by clicking on the ‘How to get involved’ tab at the top of the page. [Shropshire PNA 2025 DRAFT.pdf](#)”

Burnell Division activity FYI

Pulverbatch phone outage

Sadly council workman (apparently) cut through a fibre broadband cable while trimming the verge near Pulverbatch. I was able to get the right person in the council (Ben Walker) to help expedite repairs.

Wrentnall artics problem

Residents report artics getting stuck on tight bend in village, I’m now trying to get extra signage

Leebotwood A49 meet

I got the A49 Route Manager to visit Leebotwood recently to discuss the pedestrian crossing campaign, speed limits, etc. – we’ve now invited him back for a public meeting Tuesday (630pm 8.7 Village Hall)

Longnor 20mph

Longnor residents are concerned about traffic and speed through the village, I’m meeting with the school shortly and Highways say a 20mph limit is planned for 2026/7.

Dorrington - low flying helicopter

I’ve been liaising with Falklands Rd resident and Shawbury about low flying helicopter training route – wakes resident’s young child! Shawbury being helpful

Acton Burnell Parish activity

Regarding the Town and Parish Councils initiative mentioned above, I have arranged for John to meet Cllr Minnery, one of the two leads (I haven’t set up any other such meetings for the other Burnell parishes, as yet).

Anna has flagged the following planning/highways issues where I may be able to assist:

Stoneleigh access road/visibility splays: issue parked pending further development

Bridleway modification/RoW Pitchford-Golding: awaiting officer processing

Frodesley village/signage: officer commitment to progress

Outstanding planning enforcement issues: awaiting update from Planning
